KOKET Brings Vintage Glamour to AD Design Show

The dramatic, edgy and enticing home decor brand KOKET invites you to experience its Love Happens Lounge at New York City's Architectural Digest Design Show this March.

An enticing setting to socialize and be inspired awaits you at this year's upcoming Architectural Digest Design Show from March 16-19, 2017 at Piers 92 & 94 in New York City. KOKET's Love Happens Lounge is set to be a luxurious yet highly edited space adorned with touches of exoticism over clean vintage lines. The design features KOKET's signature love of black with cream and gold accents gleaming throughout. Soaring golden windows framed by flowing drapery drawn back by polished brass hands, large angular mirrors, and gentle golden calla lily blossoms floating above will take you to a place that feels as though its glamour may be from another time. A large central Reptilia sofa, upholstered stools and benches, café tables and a retro bar offer many places to convene over design.

KOKET - The brand

Daring design aesthetic, high impact shows, lavish presentations and the notoriously risqué ad campaigns, have an uncanny way of conveying KOKET's mission which is to create highly desirable empowering statement pieces.

The innate desire to seduce and entice its devotees is perfectly illustrated in the Guilty Pleasures & Exotic Opulence Collections. Composed of dramatic case goods, luscious upholstery, exquisite lighting and decadent furs; all of which will mesmerize with their magical mineral medley, lux metallics, vibrant jewel tones and exotic peacock feathers.

KOKET's savoire faire is intoxicating. The line is manufactured by master artisans and jewelers who leave no detail or element forgotten. KOKET's principal designers are a group of exceptionally artistic and well-rounded product designers who are led by Janet's creative eye and almost fanatic strive for perfection. The brand is managed by an elite staff of highly skilled individuals who strive to create moments of design seduction while seamlessly selling the collection worldwide through a selective network of interior designers and luxury retail stores.
