## *KOKET Brings Vintage Glamour to New York City*

Luxury Furniture Brand **KOKET** Is Set to Enliven Visitors with Its New Sophisticated Metallic Appearance at the Architectural Digest Design Show this March

A chic vintage appeal will lure you in to **KOKET's** signature black booth at this spring's Architectural Digest Design Show. Black silk moiré walls accented by glamorous golden panels set the stage for the space's Metallic Tease theme. Be seduced by **KOKET's** sexy metallics in booth 501 from March 16th to 19th.

The exhibit, with a color palette of sensuous creams, robust blacks, alluring golds and bronzes, warm rusts and acid greens, perfectly embodies the mature look of **KOKET's** newest designs. From the Art Deco angles of the **Lemprica** and **Egoist mirrors**, to the elegant Victorian cast brass hands of the **Giselle side table** and the feminine curves of the **Exotic Ormolu desk** and **Asia Chair**, this year's new introductions take on a luxurious yet minimalist feel, with touches of exotic materials over clean stylish lines and a faint suggestion of retro flair. Along with a selection of **KOKET's** iconic favorites, these new pieces are sure to charm all that lay eyes on them.

**KOKET** was also given the honor to design the show's lounge space. The Love Happens Lounge design radiates the **KOKET** brand, a luxurious yet highly edited space adorned with hints of exoticism and a vintage aura, the perfect place to socialize and be inspired.

Visit **KOKET** at the Architectural Digest Design Show, booth 501 and the Love Happens Lounge, from March 16 -19 at Piers 92 & 94 in New York City. **KOKET** visitors can learn more at [ADDesignShow.com](http://ADDesignShow.com).

## KOKET - The brand

Daring design aesthetic, high impact shows, lavish presentations and the notoriously risqué ad campaigns, have an uncanny way of conveying KOKET's mission to create highly desirable empowering statement pieces.

The innate desire to seduce and entice its devotees is perfectly illustrated in the Guilty Pleasures & Exotic Opulence Collections. Composed of dramatic case goods, luscious upholstery, exquisite lighting and decadent furs; all of which mesmerize with their magical mineral medley, lux metallics, vibrant jewel tones and exotic peacock feathers.

Since its inception in 2010, the U.S. based luxury brand's savior faire has been intoxicating. The line is manufactured by master artisans and jewelers who leave no detail or element forgotten. KOKET's principal designers are a group of exceptionally artistic and well-rounded product designers who are led by CEO & Founder Janet Morais' creative eye and almost fanatic strive for perfection. The brand is managed by an elite staff of highly skilled individuals who strive to create moments of design seduction while seamlessly selling the collection worldwide through a selective network of interior designers and luxury retail stores. The darling of the furniture industry carries an admirable list of accolades in the film industry, major international retail projects, top world hotels and hundreds of publications in the most renowned shelter and luxury publications.
