FOR IMMEDIATE RELEASE

UNCOMMON BEAUTY GALLERY ANNOUNCES PARTICIPATION IN THE ARCHITECTURAL DIGEST DESIGN SHOW, MARCH 21-24, 2019 AT PIERS 92 & 94, 55TH ST AT 12TH AVE, NEW YORK, NY.

NEW YORK, NY (MARCH 11, 2019) -

UNCOMMON BEAUTY GALLERY is thrilled to announce its participation in the 2019 iteration of the ARCHITECTURAL DIGEST DESIGN SHOW at Piers 92 & 94 in NYC. The gallery will be presenting a selection of ceramics, black and white photography and abstract paintings by contemporary artists Anna Aristova, Evelyn Sosa Rojas, Renee Phillips and Taher Jouï.

Uncommon Beauty Gallery is leading contemporaries with its decision to show at a design fair, venturing beyond the traditional art-only fair model in order to break into the interior design market, as more and more interior designers act as their clients' gatekeepers into the art world. The gallery also feels that collectors and art enthusiasts alike will appreciate the opportunity to see and envision artworks beyond the white-walled gallery space. Uncommon Beauty Gallery feels that the context of furniture, lighting and other interior design elements and accessories will complement the artworks and highlight their adaptability of these in various living environments.

ABOUT THE GALLERY

UNCOMMON BEAUTY GALLERY strives to support and champion creators of beauty who are otherwise under-represented in today's art market. What sets UNCOMMON BEAUTY GALLERY apart from others in its sector is the gallery's commitment to a socially-conscious model and complete pricing transparency, as well its mission to represent a majority of both established and emerging female and minority artists across all mediums, ages, spanning nine countries and five continents.

In a world so tailored to the acceptance of only a select few, UNCOMMON BEAUTY GALLERY hopes to widen peoples' perspectives as to what can and should be considered 'beautiful.' The chosen artists of the gallery are not 'tastemakers,' but rather 'taste creators.'

ABOUT THE FOUNDERS

about sharing artwork from and giving a voice to emerging artists. A tech executive hailing originally from France, Jean-Noël Moneton has dedicated the last few years to his passion for contemporary art as both an art consultant and independent curator.
