AT THE ARCHITECTURAL DIGEST DESIGN SHOW MCK+B LAUNCHES PARTNERSHIP WITH MIRALIS KITCHENS

NEW YORK, NY, MARCH 14, 2019: In response to the demands of the architect and design community, MCKB presents streamlined kitchen cabinetry and functionality for the sophisticated New York market.

Miralis is a Quebec company that was founded in 1976 and that built a reputation for its kitchen cabinetry and permanent furniture. Through its pioneering vision and the impeccable quality of its products for turnkey renovations, innovative collections for kitchens with an urban and distinctive look, cutting-edge concepts—its surprising and wonderful offering creates emotion. Miralis is committed to being a leader in its field for environmental friendliness. Receiving an award for energy efficiency from Hydro-Québec, it also recently acquired CARB2 certification, which is recognized by the industry for the control of formaldehyde emissions during the processing of wood products.

~ MORE ~

MCKB is known for excellent service, unparalleled selection, and attention to detail. Our showroom features fine custom cabinets, kitchen and bath displays, state-of-the-art appliances, wardrobe systems, countertops, tile, stone, hardware, new and reclaimed wood flooring as well as new products from Italy, Portugal, Spain, Germany, and France.

You will have more than inspiration to take home when you visit our multilevel showroom; we are just one uber ride away. Our experienced kitchen designers and bath consultants are here to guide you through your renovation project from inception to completion. For further information, contact A. Linder at 212-995-0500 or Bizdev@mckb.com
